

1. These are some compound words. Draw the glue line where two words have stuck together to make a new word.

2. Highlight the OI and OY spelling patterns in the compound words.

3. **Melting Sounds:** We learnt that Magic E drops magic dust when it jumps backward. However, it will throw magic dust backwards even it isn't jumping. It still melts the C into /s/ and the G into /j/. Sound button these words.

How many letters can you count?
How many sounds can you hear?

We put the sound button above melting 'g' and 'c' to show we know they are making their soft sound. We draw the half arc from the 'e' as it isn't silent, but part of the 'ce' or 'ge' unit.
